

Dear Warden:

Below please find a Warden Message from the U.S. Embassy in La Paz, Bolivia. Please share this warden message with any U.S. citizens in Bolivia with whom you have contact.

WARDEN MESSAGE
U.S. EMBASSY LA PAZ, BOLIVIA
August 4, 2010

This warden message informs American citizens traveling to and residing in Bolivia that the road between Oruro and Potosi is currently blocked, obstructing access to and from the city of Potosí. There is also a civic strike in Potosí related to a dispute over the border region between Potosí and Oruro. The Embassy urges American citizens to avoid making arrangements to travel to the region until the situation is resolved. American citizens who are currently in that region should maintain a low profile and limit their movement until the situation subsides.

U.S. citizens are reminded that demonstrations and road blockades are not unusual in Bolivia, and even though they might be intended to be peaceful they can turn confrontational between security forces, demonstrators, and bystanders, and escalate into violence. U.S. citizens are urged to avoid the areas of demonstrations and to exercise caution if within the vicinity of any protests. If you find yourself in the vicinity of a large gathering, it is recommended you leave the area immediately for your own safety.
